

DEPARTMENT OF PHYSICS INDIAN INSTITUTE OF TECHNOLOGY KANPUR

Ph.D. ADMISSION OPEN FOR 2024

REGISTER NOW

The Department of Physics at IIT Kanpur is reputed for its high-quality academic program and research in front-line areas of both fundamental and applied Physics. The Department has at present **52 Faculty Members**, and is assisted by a team of Research Associates and Postdoctoral Fellows as part of the academic staff. There are around **228 Ph.D. scholars** engaged in doctoral research. Apart from this the Department attracts Visitors from Universities and Research Institutions in both India and abroad throughout the year. The Physics Department engages in research in frontier experimental and theoretical areas of Biological Physics, Condensed Matter Physics, High Energy Physics, Cosmology and String Theory, Lasers and Quantum Optics, Fluid and Plasma Physics, Nonlinear Dynamics, Nuclear Physics, Quantum Computation and Statistical Physics, etc. A link to the Physics department webpage is available via: www.iitk.ac.in/phy/.

The Department of Physics at IIT Kanpur invites application (in the format specified in the link <https://pingala.iitk.ac.in/PGADM-0/login>) from motivated candidates, interested in pursuing a research career via our PhD program. Based on the applications received, the Physics Department at IIT Kanpur conducts selection of candidates twice a year (May and December). The admission process involves a rigorous selection procedure which includes a preliminary shortlisting based on GATE/JEST score or UGC/CSIR (JRF only) etc., followed by a written test, and an interview (for shortlisted candidates). For detailed eligibility criteria, follow the link:

<https://www.iitk.ac.in/doaa/pgadmission/eligibility-requirement.php>

Written test followed by interview for shortlisted candidates for July 2024 Ph.D. admission will be conducted on 18 May and 19 May 2024.
